## Custom Service

With over 300 different strings we have the right one for you. Maybe its an old string for an old racket which you love playing with or gut strings for a traditional feel we can do it .

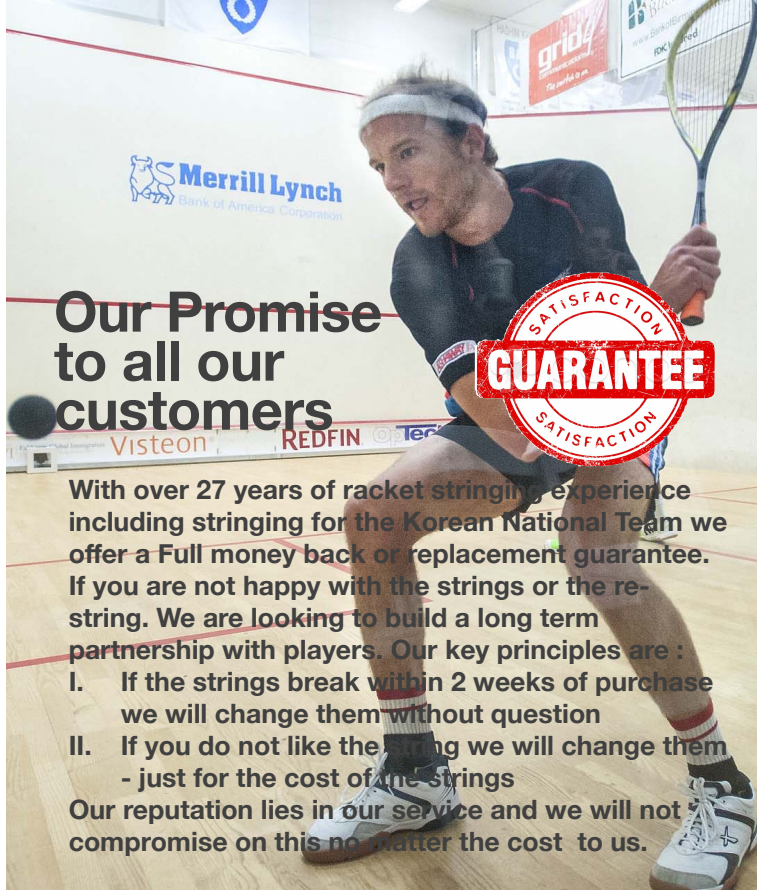

**Bring your own strings** - We apply a standard charge of £8 for anyone bringing their own strings - we cannot guarantee any restring as we do not know the origin of the strings

**Re-Grips/Handles**- Huge range of grips from many manufacturers applied at no surcharge just the grip price. Handle re-sizing £5

**Grommets/Bumpers** - We will change odd grommets which are not viable but there will be charge if more than a quarter of all grommets need changing - £3 Full grommet change - £6 Bumpers will be priced on application based availability and postage cost

**Logo Stencilling** - Free of charge with any new re-string

**REAL GUT STRINGS** - Price on application custom stringing using natural gut.

### Our Promise to all our customers

With over 27 years of racket stringing experience including stringing for the Korean National Team we offer a Full money back or replacement guarantee.

If you are not happy with the strings or the re-string. We are looking to build a long term partnership with players. Our key principles are :

- I. If the strings break within 2 weeks of purchase we will change them without question
- II. If you do not like the string we will change them - just for the cost of the strings

Our reputation lies in our service and we will not compromise on this no matter the cost to us.

**2-3 days - Normal Service**  
**NO charge**
